A

Abdomen, wounds of, penetrative (Capt. W. C. B. Meyer and Lieut. D. C. Taylor), 8; (leading article), 34
Abdominal aneurysm, 245; disease in children, 353; pregnancy, 623
Abdominal, head, and joint injuries, cases of (Lieut. H. E. Brown), 1082
Abdominal gunshot injuries, 500; tabular statement (Col. C. Wallace), 502; operations at the front (Py Q), 650
Aberdeen, Royal Infirmary and Asylum, annual meeting, 434; open-air ward for Sick Children's Hospital, 594; Eye Hospital, annual meeting, 967; public health of, report of medical officer of health, 1198
Aberdeen University, pass lists, 802
Abscess due to injection of petroleum, 149; temporo-sphenoidal, 1042
Abscess of the myocardium resulting in aortic leakage into the right heart (Lieut.-Col. R. D. Rudolf and Capt. V. H. K. Moorhouse), 292
Acetone and diacetic acid in the urine, tests for, 1234
Acne varioloformis, 246
Acromegaly, pathogenesis of, 926
Actinomycosis, case, 28, 81
Active service, diseases of (leading article), 1048
Adams, Mr. J. E., new metacarpal splint, 194
Adamson, Dr. H. G., recurrent herpes, 515
Adamson, Lieut. O. J. W., two cases of fourth disease with relapses, 290
Adapter to convert binaural stethoscope into otoscope, 735
Addison, Mr. O. L., malignant glands of neck, 191; (1) myeloid sarcoma, (2) tuberculous disease of hip-joint, (3) large branched calculus in the pelvis, 191; aneurysm of the radial artery, 352
Adenoid growths, removal of (Mr. J. L. Aymard), 1251
Adenoma sebaceum, 246; primary, unilateral solid, of the ovary, 1085
Aerated waters, tax on, dietetic view, 831
Aerial conveyance of infection (Dr. F. H. Thomson), 341
Agglutination reaction of bacilli of typhoid-dysentery group with normal sera (Capt. T. R. Ritchie), 1257
Agglutination sera, preparation and use of certain (Dr. Harriette Chick), 857
Agglutination tests in inoculated persons, influence of febrile conditions on inoculation agglutinins (Dr. H. L. Tidy, Maj. G. Dreyer, Capt. A. G. Gibson, and Lieut. E. W. A. Walker), 241, 766, 885, 932, 1058
Aide Major, the work of, 218
Albuminuria, injections of permanganate of potash in, 430; and "trench fever" (Dr. F. G. Chandler), 461
Albuminuric and glycosuric retinitis (Dr. J. Taylor), 660
Albuminuric retinitis in epidemic (acute) nephritis, 372, 590, 697, 749
Alcohol, duty on, in hospitals (Py Q), 168
Alcohol, relation of high arterial tension to, 740
Alcoholic victims and drug addicts, treatment in Ontario, 1054
Aldridge, Dr. C., clinical thermometry, 536
Alderson, Capt. G. G., treatment of septic wounds with glycerine and ichthyol, 749
Alexander, Capt. A. R. S., I.M.S. (see Obituary of the war)
Alexandra Palace Internment Camp, 919
Alexandria, military hospitals in, 800
Allan, Mr. C. E., Housing of the Working Classes Acts, 1890–1909, and the Housing Acts, 1914 (review), 735
Allbutt, Sir C., and Osler, Sir W., supply of medical officers for the navy and army, 972; syphilis of the aorta, 1033
Allen and Hanburys, Limited, bicentenary, 113
Allies' hospital at Yvetot, 1016
Altitude, influence of, on the nervous system, 36
Amaurotic family idiocy, cause of ophthalmoscopic appearances in, 352
Ambard's coefficient, 788
Amblyopia, mental, following insomnia, 410; shock (Capt. A. D. Griffiths), 1245
Ambrine, value of, in the treatment of wounds, 1187
Ambulance, motor, Prince George, 50; train, development of, 94; reserve, women's, 165; gift of, 323; for the Russian Red Cross, 646; carriages, 702; field, work at, 1150; train for the navy, 1197; Fund, British Sportmen's, 1197
Ambulance Work, Martin's Questions and Answers upon (Mr. L. S. Barnes) (review), 85
American Journal of Roentgenology (review), 468
American medical men, deaths in 1915, 365
American Women's War Hospital, Paignton, 380
Ammonia as an enema, 374
Amœbic dysentery, 523
Amputations and amputation stumps (leading article), 870
Anaerobic micro-organisms, isolation and cultivation of, new apparatus for (Dr. J. McIntosh and Dr. P. Fildes), 768
Anæsthesia, a theory of, 578; for the enucleation of tonsils (Dr. J. Blomfield), 772, 838, 887; vapours, warm, advantages of, apparatus for their administration (Dr. F. E. Shipway), 70; spinal, with special reference to the use of novocaine (Mr. C. C. Holman), 955; spinal (Lieut. S. B. Gadgil), 1123; its use in the Trendelenburg position (Mr. H. M. Page), 1169, 1277; scopolamine-morphine, 1263
Anæsthesia, Surgical, second edition, 1916 (Mr. B. Gardner) (review), 411; chloroform, in military practice, apparatus for, 1003
Anæsthetics, Veterinary (Mr. F. Hobday) (review), 191; influence of, on the temperature of the body, 1001
Anæsthetisation of two cases of patent ductus arteriosus (Dr. H. R. Phillips), 1124
ANALYTICAL RECORDS FROM "THE LANCET" LABORATORY—
Antityphoid-paratyphoid vaccine, 1045
Argentide vaginal suppositories, 1045
Beer, non-alcoholic (Three Shells Brand), 736
Brandy, cognac, 736
Bynogen, 249
(1) Calsa; (2) Torbet lactic oats, 249
Cognac brandy, 736
Esprit de Liége, 574
Eusol, Edinburgh antiseptic, 32
Formitrol pastilles, 574
French Moselle, still, 736
Hectargyre, 736
(1) Hectine, (2) hectargyre, 736
Internol, E. H. V., 249
Intramine, 736
Iodargol utero-topique, 32
La Giralda, Spanish white wine, 1045
Lysol (L. Brand), 1045
Malted milk tablets, 736
Menthol snuff, compound, 32
Moselle, still French, 736
Non-alcoholic beer (Three Shells Brand), 736
Peptonum siccum, A. & H., 574
Pineal gland tablets, 1045
(1) Protosil, (2) pineal gland tablets, (3) antityphoid-paratyphoid vaccine, (4) typhoid-paratyphoid agglutometer, (5) Argentide vaginal suppositories, 1045
"Soloid" nasal alkaline compound, 1045
Subitol, 249
(1) "Tabloid" sodium acid sulphate, (2) compound menthol snuff, 32
Tolamine, 574
Torbet lactic oats, 249
Typhoid-paratyphoid agglutometer, 1045
Virophos, 574
Vitamogen, 32
Anaphylaxis, treatment of (Prof. A. S. Leyton and Dr. Helen G. Leyton), 1171
Anatomical position of localised foreign bodies (Dr. J. Metcalfe and Capt. E. N. Keys-Wells), 1078
Anatomy, normal, of the pituitary fossa (Prof. V. Z. Cope), 601
Anatomy, Systematic and Practical, including Embryology, third edition, 1916 (review), 139; Surgical, Manual of (Mr. L. Beesley and Mr. T. B. Johnston) (review), 298; Studies in, from the Anatomical Department of the University of Birmingham (Prof. P. Thompson) (review), 917; and Physiology for Training Schools and Other Institutions, fourth edition (Dr. Elizabeth R. Bundy) (review), 918
Ancient Hindus, Positive Sciences of (Dr. B. Seal) (review), 825
Anderson, Capt. H. M., and Noel, Lieut. H. L. C., shrapnel injury to right parietal cortex, 79
Anderson, Dr. Louisa G., Dr. Helen Chambers, and Margaret Lacey, treatment of septic wounds, with reference to the use of salicylic acid, 1119
Anderson, Prof. H. D., appendicitis as a sequel of tonsillitis, 579

Andrewes, Prof. F. W., bacteriology of cerebro-spinal fever, 999
Aneurysm of the arch of the aorta, 191, 352, 353; abdominal, 245; arterio venous, 351; of the radial artery, 352; due to bullet wounds, 409; gunshot arterio-venous, unusual form of (Maj. C. A. Morton), 557
Angina pectoris treated by a new method, three cases, 934
Anglo-keratoma, 246
Anglo-Russian Hospital at Petrograd, 353
Ankle-jerk, diagnostic importance of, 1051
Annali dell' Istituto Maragliano (review), 1173
Annals of Tropical Medicine and Parasitology (review), 1222
Anthony, Mr. F., death of, 516
Anthrax conveyed by infected shaving brushes (Dr. R. R. Elworthy), 20, 40; fatal case (Dr. E. H. Snell), 242
Anthropology and Morphology, Handbook for Students, second edition, 1915 (Mr. W. L. H. Duckworth) (review), 83
Anti-malaria operations in Bengal, 1011
Antiquity of Man (Prof. A. Keith) (review), 138
Antiseptic action of substances of the chloramine group, 581
Antiseptic, a new, 438
Antiseptics for wounds, standard method of testing, with some results (Capt. W. d'E. Emery), 817
Antituberculosis work in Lucknow, 530
Antityphoid inoculation in the army (Py Q), 167; in France, 269
Anti-typhoid-paratyphoid vaccine, 1045
Aorta, sacculated aneurysm of, 515; syphilis of, case (Sir C. Allbutt), 1033
Aortic leakage into the right heart, abscess of myocardium resulting in (Lieut.-Col. R. D. Rudolf and Capt. V. H. K. Moorhouse), 292
Apothecaries' Society of London, pass lists, 50, 166, 273, 538, 755, 843, 938, 1104
Appendicitis with the cæcum on the left side, 200; as a sequel of tonsillitis, 579; with the cæcum on right side (Dr. G. W. Christie), 676; ectopic gestation and (Dr. F. M. Neild), 676; mechanical causation of, 1000
Appendix, vermiform, biology of (Dr. W. C. Mackenzie), 183; intussusception of (Dr. W. A. Curry and Mr. E. H. Shaw), 866
Applied psychology, the study of, 885, 970, 1058
Appointments, weekly lists of, 54, 112, 168, 222, 276, 326, 382, 436, 490, 541, 596, 652, 707, 755, 805, 845, 1020, 1065, 1107, 1153, 1241, 1283
Archives of Radiology and Electrotherapy (Archives of the Roentgen Ray) (review), 413
Argentide vaginal suppositories, 1045
Armies, health of, in peace and war (leading article), 517, 530
Armistead, Lord, the late, as a hospital benefactor, 40
Armour, Capt. T. R. W., military orthopædics, 782
Armour, Lieut.-Col. D., gunshot wounds of the spine, their surgical aspect, 770
Armstrong, Capt. W. S., R.A.M.C. (see Obituary of the war)
Armstrong-Jones, Dr. R., functional nervous disease, 210
Army and Navy, shortage of doctors, 1234
Army, medical men for, supply of (leading article), 35, 196, 102, 156, 274, 539; and navy (leading article), 786, 963, 972, 1005, 1059; medical men and service in (Py Q), 53; anti-typhoid inoculation in (Py Q), 167; medical rejections from (Py Q), 167; discharge for physical incapacity (Py Q), 221; dental needs of, 265; new, the size of, 438; pulmonary tuberculosis in, 519; (Py Q), 539, 595; venereal disease in (leading article), 305, 531; medical work in, 651; vaccination in (Py Q), 845; discharge owing to tuberculosis, 1050; medical examinations in (Py Q), 1152
Army Medical Service (Py Q), 275; Advisory Board for (Py Q), 325, 540; work of, 700; organisation of, 704; (Py Q), 890; Civilian Reserve, 831
Arterial tension, high, and its relation to alcohol, 740
Arteries, cerebral, thrombosis of, in paratyphoid B. (Lieut. W. MacAdam), 243
Arterio-sclerosis, retinal circulation in, 1053
Arthritis, rheumatoid, radical treatment (Dr. M. J. Rowlands), 133; serous, due to B. paratyphosus, 147; crippling, relieved by cheilotomy, 678, 741, 838, 1255
Artificial limbs for soldiers and sailors (Py Q), 275, 844, 1198
Asch, Dr. P., Twelve Lectures on the Modern Treatment of Gonorrhœa in Man (review), 1221
Ash as an asset, 1179
Asphyxia neonatorum, new method of treatment, 578
Asphyxia reticularis (Unna), 1125
Assurance Medical Society, address by Dr. A. T. Davies, 1227
Asylum reports, 369
Asylum Workers' Association, annual general meeting, 823, 1062
Atkinson, Maj. J. M., injuries to bones due to shell, 352
Atmospheric pollution, monthly record, 250, 414, 696, 826, 1140
Atmospheric pollution, report of committee of investigation (see Supplement, Feb. 26th); (leading article) 474, 536; in Sheffield, 826
Attestation and mental disorders, 430
Attlee, Dr. J., congenital dermoid of the conjunctiva, 352
Auscultation, importance of, in the diagnosis of vascular injuries accompanying gunshot wounds (Surg.-Gen. Sir G. Makins), 812
Austin, Dr. E. C., obituary, 1233
Australian Medical Corps, an officer of (Py Q), 222
Aviation, physiological examination for beginners, 633
Aviation schools, medical officers at (Py Q), 596
Axis, non-fatal fracture of, 924
Aymard, Mr. J. L., removal of adenoid growths, 1251

B

Babies' open-air playroom in Edinburgh, 689
Baccelli, Guido, obituary, 213; tribute of Italian medicine to his life and work, 1050
Bacillus typhosus, infection by, use of stock vaccine in, analysis of 230 cases (Capt. T. H. Whittington), 759
Back Injuries and their Significance under the Workmen's Compensation and Other Acts (Mr. A. McKendrik) (review), 516
Back, Mr. I., treatment of hæmorrhoids by injection, 698
Bacteria, the iron, 309
Bacterial infection and margarine, 965
Bactericidal action of sera upon microbes (Dr. K. Sakagami), 127; of blood on paratyphoid bacilli A and B, 476; power acquired by the serum after administration of salvarsan and neosalvarsan (Capt. S. R. Douglas and Capt. L. Colebrook), 181
Bacteriology of cerebro-spinal fever, 533
Badges, war service, 49
Bailey, Maj. C. F., two separate calculi in the left ureter of a woman, 868; diagnosis of nerve injuries in war time, 1042
Bainbridge, Prof. W. S., The Cancer Problem (review), 411
Baker, Dr. Lily A., and Miss Hilda Cashmore, schools for mothers, 643
Baldwin, Mr. A., treatment of colitis and proctitis and of ulceration of the rectum and colon, 970
Balfour, Lieut.-Col. A., treatment of hepatic failure in yellow fever, malaria, and other conditions, a suggestion, 1038
Balkans, hospital units in (Py Q), 52
Ball, Lieut. M. E., R.A.M.C. (see Obituary of the war)
Ball, Mr. C. A., aneurysm due to bullet wounds, 409
Ball, Sir C. B., obituary, 703
Ballet, Prof. G., death of, 967
Bandage, the Triangular (Mr. H. Preston) (review), 918
Bandaging (Dr. A. D Whiting) (review), 918
Bankart, Mr. A. S. B. hemihypertrophy, partly crossed, in a boy aged 6 years, 1219
Bannington, Mr. B. G., English Public Health Administration (review), 82
Barbados, vital statistics of, 893
Barclay, Capt. A. E, new method of extracting bullets, 476
Bardet, Dr. G., a medical quadruple entente, 421
Barendt, Dr. F. H use, misuse, and abuse of soap, 782
Barker, Col. A. E. J. (see Obituary of the war)
Barnes, Mr. L. S., Martin's Questions and Answers upon Ambulance Work (review), 85
Barnicot, Dr. J., death of, 696
Barr, Capt. G. F., R.A.M.C. (see Obituary of the war)
Barristers, medical, Dr. W. E. St. L. Finny, 324
Barwell, Mr. H., cicatricial stenosis of the larynx treated by intubation, 462
Bas, Mr. G. Le, The Molecular Volumes of Liquid Chemical Compounds from the Point of View of Kopp (review), 299
Bateman, Dr. A. G., income-tax and gratuities to temporary lieutenants R.A.M.C., 374
Bates, Mr. T., senior, a letter from Lister, 589; obituary, 837
Bates, Mr. T., junior, Hagedorn's operation for double hare-lip, 136
Bath Royal United Hospital, annual meeting, 340; War Hospital, 888
Baths for the soldier in the field (Capt. H. N. Goode), 422
Baths, Old London's, Spas, and Wells (Dr. S. Sunderland) (review), 140
Batten, Dr. F. E. acute poliomyelitis, 809, 829
Battle, Mr. W. H., diagnosis of ruptured intestine, 587; some perforations at or near the pylorus, 904
Bawden, Dr. J. B., death of, 166
Bearbleck, Fleet-Surg. W. J., R.N. (see Obituary of the war)
Beattie, Prof. J. M., Post-mortem Methods (Cambridge Public Health Series) (review), 354
Beatty, Dr. G., death of, 436
Bed-stretcher, 86
Beer, non-alcoholic (Three Shells Brand), 736
Beesley, Mr. L., and Mr. T. B. Johnston, Manual of Surgical Anatomy (review), 298
Beggs, Capt. S. T., Training in First-aid and Nursing by Question and Answer (review) 85
Belfast, health of, 112; Forster Green Hospital, 367; Hospital for Sick Children, 367; Health Society, annual meeting, 526; tuberculosis scheme, 583; Medical Students' Association, 583; Royal Victoria Hospital, annual meeting, 825; King Edward VII. Memorial, 1141
Belfast, Queen's University, report, 257; roll of honour, 323; pass-lists, 889
Belfrage, Dr. S. H., septic compound fractures due to gunshot wounds, 353
Belgian Doctors' and Pharmacists' Relief Fund, 47, 98, 102, 147, 258, 378, 421, 594, 1052, 1229
Bell, Mr. J. J., cancer of the uterus treated by radium, 623
Bell, Prof. W. B., function of the pituitary body, 420
Bellot, Dr., and Dr. Couteaud, bullet in the right auricle, operation, survival for two days, 923
Benevolent funds for the services auxiliary to the Royal Army Medical Corps, 700
Bengal, district hospitals and dispensaries in, 148; anti-malaria operations, 1011
Bennett, Sir W., appointed surgeon-in-chief to the St. John Ambulance Brigade, 523
Benstz, Dr. Nelly, therapy of whooping-cough, 254
Berdoe, Mr. E., obituary, 591
Beri-beri, with special reference to prophylaxis and treatment (Lieut.-Col. W. H. Willcox), 553
Bernhardi and Creation, a New Theory of Evolution (Sir J. Crichton-Browne) (review), 1086
Bernstein, Dr. J. M., (1) syphilitic liver, (2) aneurysm of arch of aorta, (3) Hodgkin's disease showing lymphoma of breast, (4) perforation of œsophagus, (5) polycystic kidney, (6) primary sarcoma of root of lung, 352; specific osteitis of tibia, 868
Berry, Mr. J., work of the Royal Free Hospital unit in Serbia, 875
Berry, Lieut. P. H., R.A.M.C. (See Obituary of the war)
Bilharzia infection, prevention of, 837
Bilharziosis, 155; thymo-benzene in, 698
Billets and camps, sanitation in (Lieut. A. White), 41, 95
Billon novarsenobenzol, 590
Biology (Prof. G. N. Calkins) (review), 139; of the vermiform appendix (Dr. W. C. Mackenzie), 183
Biometrika (review), 624
Birdwood, Lieut.-Col. G. T., Clinical Methods for Students in Tropical Medicine, second edition, 1915 (review), 139
Birmingham hospitals, annual reports, 735; report of school medical officer, an explanation, 1201
Birth-rate, influence of season upon, 100
Birth-rate, the declining (leading article), 1265; report of the commission, 1276
Births, marriages, and deaths, weekly lists of, 55, 113, 168, 223, 276, 327, 383, 437, 491, 541, 597, 652, 707, 756, 805, 846, 892, 939, 977, 1021, 1065, 1107, 1153, 1200, 1242, 1284
Black, Dr. T. A., ammonia as an enema, 374
Blackham, Lieut.-Col. R. J., and Sir C. P. Lukis, Tropical Hygiene for Residents in Tropical and Subtropical Climates, third edition (review), 140; Indian Manual of First Aid (review), 918
Bladder, foreign bodies in, resulting from gunshot wounds (Maj. G. G. Turner), 958; rupture of, due to retroverted gravid uterus (Dr. J. E. G. Calverley), 1124
Blandford camp, hospital accommodation (Py Q), 805
Bland-Sutton, Sir J., ulcers, new and old, jejunal for duodenal ulcers, 387
Blane, Sir Gilbert, 597; and his compeers, 978
Bleached flour (Py Q), 1199
Blepharitis, chronic, 191
Blind, the translucent, 597
Blinded in war, re-education of, 149; soldiers, training of, 380; (Py Q), 540; soldier, employment for (Dr. W. Feilchenfeld) (review), 1043
"Blindness, concussion," treatment (Maj. A. F. Hertz and Capt. A. W. Ormond), 15; night, in soldiers, 880

Blindness due to cerebro-spinal meningitis, recovery from, 1267
Block, Dr. T. B., and Dr. T. H. Llewellyn, hydrops tubæ profluens, 965
Blomfield, Dr. J., anæsthesia for enucleation of tonsils, 772, 887
Blood findings in epilepsy (Dr. R. H. Spangler), 910
Blood, nitrogen retention in, 1050
Blood pressure, measurement of (leading article), 87, 156
Board of Control (Py Q), 651, 890
Bogus Medical Degrees Bill for India, 1011
Bolton Insurance Committee, alleged extravagance in prescribing, 1046
Bombay and Madras Presidencies, hospitals in, 148
Bombay new medical college, 148; health of, 483; health bulletin, 635; bacteriological laboratory, 930; Medical Act, 1272; Presidency Hospital, 1272
Bonham, Mr. A. E., Practical Guide to the Inspection of Meat and Foods (review), 1127
Books, &c., received, 55, 168, 276, 327, 436, 541, 595, 654, 709, 756, 807, 939, 1023, 1067, 1105, 1201, 1242, 1283
Booth, Lieut. A., R.A.M.C. (see Obituary of the war)
Boothroyd, Dr. J. S., Wittenberg camp, 935
Bordeaux Fair, 1283
Bordet-Gengou reaction in echinococcal disease, 40

Geoghegan, Fleet-Surg. H. L., R.N. (see Obituary of the war)
George, Prof. A. W., and Dr. R. D. Leonard, Roentgen Diagnosis of Surgical Lesions of the Gastro-intestinal Tract (review), 515
German, Capt. F. F., R.A.M.C. (see Obituary of the war)
German and Austrian medical men (Py Q), 52
German medicine, current, 1043
German measles, 47, 156; casualties, 49; military hospital, experiences in, 109; army, crimes of, 271; people, food-supply, 469, 1184, 1226, 1229; ill-treatment of sick prisoner (Py Q), 891; prisoner camps, typhus in (Py Q), 976, 1060; prison camps, medical reports on (Py Q), 1019
Germany, prisoners of war in, 929; (Py Q), 1152
Germany's prohibition of export of medical publications, 110
Ghon, Dr. A., The Primary Lung Focus of Tuberculosis in Children (review), 411
Giant perimeter, 1262
Giantism in a girl aged 12 years, 1219
Gibbs, Dr. C. J., obituary, 1062
Gibson, Capt. A. G., Lieut. E. W. A. Walker, and Maj. G. Dreyer, agglutination tests in inoculated persons, influence of febrile conditions on inoculation agglutinins, 766
Gibson, Dr. M. J., myomata from a case of Cæsarean myomectomy, 916
Gibson, Surg.-Col. E., death of, 466
Gilbert and Ellice Islands, unsatisfactory health report, 1242
Girard, Prof. C., death of, 634
Glands, malignant, of neck, 191
Glasgow, medical rejections in, 595
Glasgow Western Infirmary, completion, 112
Glasgow University pass-lists, 843, 889, 938
Glioma, retinal, in a boy aged 13, 255
Glove, extension, for cases of musculo-spiral paralysis, 784
Gloyne, Dr. S. R., precipitin reaction in tuberculous fluids, 823
Glycerine and ichthyol in the treatment of septic wounds, 749
Glycosuria, retinal changes in, 1054
Goadby, Mr. K., ulcerative stomatitis, 959
Goat as a source of milk, 309
Goetsch, Dr. E., influence of pituitary feeding upon growth and sexual development, 924
Gold Coast, Ashanti, and Northern Territories, health of, 327
Goldberger, Dr. J., and Dr. G. A. Wheeler, experimental pellagra, 93
Gonorrhœa in Man, Twelve Lectures on the Modern Treatment (review), 1221
Gonorrhœa, treatment of, a suggestion, 1233
Goode, Capt. H. N., method of providing baths for the soldier in the field, 422
Goodall, Dr. E. W., enteric and typhoid, a point in nomenclature, 838
Goodhart, Sir J., pneumococcal bronchitis, 907; obituary, 1144
Gough, Lieut. B. B., R.A.M.C., 486
Gould, Dr. G. M., Pocket Medical Dictionary, seventh edition (review), 735
Grace, Mr. A., death of, 1146
Grace, Mr. J. J., results of treatment of chronic joint diseases by certain physical measures, 863
Graft, heteroplastic, a successful, 278
Graftdijk, Dr. C. J. van H., the human ostrich, 966
Grant, Dr. J. D., diagnosis and treatment of diseases of the nose, throat, and ear, 1220
Granuloma annulare, 28
Granville Canadian Special Hospital, physical treatment at, 1280
Graves's disease (Dr. J. Taylor), 660
Gray, Dr. A. A., otosclerosis, 464
Gray, Mr. H. T., congenital scoliosis, 352; (1) sarcoma of tibia, (2) "club hand," (3) knee-joint changes, (4) central tuberculosis of radius, (5) carcinoma of floor of mouth, 868
Greek inscription, an ancient, 579; medical papyrus, new, 1009
Greeves, Mr. A., and Mr. H. Spicer, superficial linear keratitis, 352
Gregory, Miss A. S., present position of midwives, 586
Griffith, Capt. A. D., injuries of the eye and orbit, 1245
Griffith, Capt. W., local hyperidrosis of the face, 468; pustular folliculitis treated by the Simpson light, 782
Griffith, Dr. A. S., investigation of strains of tubercle bacilli derived from sputum, 721
Griffith, Lieut. H. R., R.A.M.C. (see Obituary of the war)
Grimbert, Dr., synthetic remedies in France, supply of, 632
Grocco, Prof. P., obituary, 536
Grossi, Dr. V., Ambard's co-efficient, 788
Groves, Maj. E. W. H., and Capt. T. H. Brown, treatment of gunshot fractures, a description of apparatus and technique, 900
Gubb, Dr. A. S., an impediment to a medical entente, 535
Guide to the learned societies, 542; to charities, 598
Gunshot fractures, treatment, description of apparatus and technique (Maj. E. W. H. Groves and Capt. T. H. Brown), 900
Gunshot injuries, 500 abdominal, tabular statement (Col. C. Wallace), 502; arterio-venous aneurysm, unusual form of (Maj. C. A. Morton), 557; resection of elbow in, 689; of peripheral nerves, the syndrome of compression (Dr. J. S. B. Stopford), 718
Gunshot injuries of the jaws (leading article), 1266
Gunshot wounds of the cauda equina, 144; of the chest (Col. Sir J. R. Bradford), 227; of the chest, surgical treatment (Capt. H. M. Davies), 232; discussion, 244, 571; magnesium sulphate in the treatment of, 642; of the spine, discussion (Capt. J. Collier), 677, 711; of the spine, their surgical aspect (Lieut.-Col. D. Armour), 770; vascular injuries accompanying, importance of auscultation in the diagnosis of (Surg.-Gen. Sir G. Makins), 812; foreign bodies in the bladder resulting from (Maj. G. G. Turner), 958
Gunshot wounds, treatment by packing with salt sacs (Maj. A. J. Hull), 1077; of right orbit and maxilla (Sir W. J. Collins), 1217; three interesting cases (Mr. P. C. Woollatt), 1261
Gunson, Dr. E. B., gangrene of the leg following diphtheria, 781
Guthrie, Dr. L., enteric and typhoid, a point in nomenclature, 887
Guyer, Mr. R. G., eusol, 265
Guy's Hospital, awards, 1013
Gynocardates, use of, orally and subcutaneously, in leprosy (Sir L. Rogers), 288, 374

H

Hæmoglobinuria, paroxysmal, 781
Hæmophiliacs and military service, 1242
Hæmorrhage into the internal capsule, 245; intracranial, without symptoms of compression (Dr. P. W. W. Lam and Dr. E. Law), 350; intestinal, in the new-born, 623; traumatic, in the vitreous, treatment, 1054; spontaneous intraocular, 1054
Hæmorrhoids, treatment by injection (Mr. A. S. Morley), 617, 698, 886, 887; (Mr. F. S. Edwards), 819
Hæmothorax, physical signs of (Col. Sir J. R. Bradford), 229
Hagedorn's operation for double hare-lip (Mr. T. Bates, jun.), 136
Hagmann, Prof. A. N., a new dressing for skin-grafts, 1147
Hall, Maj. A. J., hysterical mutism in a boy, 1039
Halliburton, Prof. W. D., Handbook of Physiology, twelfth edition, 1915 (review), 84
Hamill, Dr. P., (1) wasting of muscles of shoulder girdle and upper arm, (2) Erb's dystrophy, (3) trigeminal neuralgia, (4) obstructive jaundice with enlargement of liver and spleen, 515; (1) recurrent jaundice, (2) unilateral enlargement of the tongue, 1219
Hamill, Dr. R. C., injection of the Gasserian ganglion for tic douloureux, 1135
Hamilton, Mr. J., tragic death of, 821
Hammock-bed, an interrupted, in the treatment of compound fractures of the hip and thigh (Mr. C. W. G. Bryan), 25
Hanbury, Mr. C., obituary, 935
Handfield-Jones, Dr. M., chorion-epithelioma following vesicular mole, 514; of the uterus following hydatidiform mole, 573; clinical aspect of the double uterus in its relation to diagnosis and treatment, 574
Hare-lip, double, Hagedorn's operation for (Mr. T. Bates, junr.), 136
Harman, Mr. N. B., (1) chronic blepharitis, (2) irido-dialysis, 191
Harmer, Dr. S. F., a leech in the nasal cavity, 365
Harmer, Mr. W. D., and Dr. E. P. Cumberbatch, the Simpson light, its nature, mode of production, application, and therapeutic properties, 76
Harold, Dr. J., obituary, 1146
Harper, Col. J., R.A.M.C. (T.F.), 935 (see also Obituary of the war).
Harper, Mr. P., Billon novarsenobenzol, 590
Harper, Surg. M. H. de J., R.N. (see Obituary of the war)
Harrison, Lieut.-Col. L. W., and Capt. C. H. Mills, effect of ferrivine and intramine on syphilis, 1214
Hart, Dr. B., psychology of rumour, 824
Hart, Dr. D. B., inversion of the pelvic bones as a cause of deformity, 255, 373, 482
Hartnell, Capt. E. B., R.A.M.C. (see Obituary of the war)
Harveian lecture on nervous and other medical disorders as seen at an eye hospital (Dr. J. Taylor), 656
Harveian Society of London (see Medical Societies)
Harvey, a new commentary on (leading article), 416
Harwood, Dr. T. E., shell shock, 698; a factor in the treatment of head injuries and allied conditions, 1122
Haslar Hospital, milk-supply (Py Q), 1106
Haughton, Mr. W. S., bullet injuries of nerves and their treatment, 1229
Hawksley, Maj. W. L., R.A.M.C. (T.F.) (see Obituary of the war)
Hawthorne, Dr. C. O., (1) Double optic neuritis, (2) solid œdema, 296; rapid respiratory rhythm, 781; retinal changes in glycosuria, 1054; double optic neuritis, 1219
Hay fever, prophylactic vaccination against (Dr. B. P. Sormani), 348, 532; recent work on, 872
Hazell's Annual, 1916, 114
Head, abdominal, and joint injuries, cases of (Lieut. H. E. Brown), 1082
Head injuries, treatment, in a casualty clearing station, 1034; (Py Q), 1064; a factor in the treatment of (Dr. T. E. Harwood), 1122; steel helmets and (Py Q), 1152
Heads, long-, square-heads, and short-heads, 254
Health and Disease, Action of Drugs in (Textbook of Pharmacology and Therapeutics), sixth edition, 1915 (Dr. A. R. Cushny) (review), 247
Health in the Camp (Prof. H. R. Kenwood) (review), 86; of Belfast, 112; of troops on Salisbury Plain (Py Q), 167; of munition workers, 197, 431, 538, 752; (leading article), 785; (Py Q), 804, 844; female, 519; of armies in peace and war (leading article), 517, 530; of the Post-office staff, 741; conditions at Fovant camp (Py Q), 804; visitors in metropolitan boroughs (Py Q), 1199
Health of the Japanese Navy, 37; and sanitation in Cyprus, 55; of the Gold Coast, Ashanti, and Northern Territories, 327; of the United States army in 1914, 524; of Calcutta, 635; bulletin, Bombay, 635; of Trinidad and Tobago, 653; of Mauritius, 708, 756; and hygiene in Montreal, 745; report of British Columbia for 1914, 929; and sanitation in Nigeria, 1022; and sanitation in British East Africa, 1066; of St. Lucia, 1108; of Gilbert and Ellice Islands, unsatisfactory report, 1242
Heart-block, two cases (Dr. C. Lundsgaard), 125; showing large auricular waves in the femoral tracing (Dr. A. W. Falconer), 865
Heart, irritable, of soldiers, hyperthyroidism as a cause of (Dr. C. P. White and Capt. F. Hernaman-Johnson), 78, 93, 153, 189, 197, 267, 316; examination of (Dr. O. Leyton), 294, 482; (Dr. Florence A. Stoney, 777; smokers', soldiers and (Py Q), 1019
Heart, showing infiltration by round-celled sarcoma, 296; right side, failure of, as a result of pulmonary disease (Dr. F. J. Poynton), 1212

Heat production and regulation (Prof. Sims Woodhead and Mr. P. C. Varrier-Jones, 452
Hebbert, Capt. R. F., I.M.S. (see Obituary of the war)
Heberden, Mr. G. A., obituary, 752
Hectargyre, 736
Hectine, 736
Heijden, Dr. I. van der, quartan malaria, relapse 42 years later, 90
Helmet, metal, value of, 880
Helmets, steel, for the troops (Py Q), 755, 838, 891, 976, 1152; and head wounds (Py Q), 1152; wire, for cases of loss of bone, 868
Hemihypertrophy, partly crossed, in a boy aged 6 years, 1219
Hemiplegia, transient, in diphtheria and diphtheritic onychia, 780
Hemp cultivation, disease among workers in, 580
Henry, Dr. A. K., tendon transplantation for wrist-drop, 1218
Henry Saxon Snell Prize, 1241
Hepatic failure in yellow fever, malaria, and other conditions, treatment, a suggestion (Lieut.-Col. A. Balfour), 1038
Hepatitis, toxic, 999
Herbs, medicinal, culture of, 794, 978, 1226
Heredity as a factor in alcoholic degeneration, 114; and cancer, 212
Hermaphroditism, case of (Mr. J. E. Middlemiss), 675

Medical appliances for military hospitals (Py Q), 325
Medical Chemistry and Toxicology, Text-book of, fourth edition, 1915 (Dr. J. W. Holland) (review), 85; Dictionary, Illustrated, eighth edition, 1915 (Dr. W. A. N. Dorland) (review), 85; Diagnosis, Handbook of, for the Use of Practitioners and Students, fourth edition (Prof. J. C. Wilson) (review), 825; Ethnology (Dr. C. E. Woodruff) (review), 1172
Medical Diary, 57, 114, 170, 224, 278, 328, 384, 438, 492, 542, 598, 654, 709, 757, 806, 847, 893, 941, 979, 1023, 1067, 1109, 1155, 1201, 1243, 1285
Medical Dictionary, Pocket, seventh edition (Dr. G. M. Gould) (review), 735; Jurisprudence, Toxicology, and Public Health, third edition, 1916 (Dr. W. G. A. Robertson) (review), 917
Medical entente, an impediment to, 535; quadruple entente, 421
Medical examinations in the army (Py Q), 1152
Medical Insurance Agency, meeting of committee, 1269
Medical man's action against a friendly society, 425
Medical mayor, Mr. J. J. O'Sullivan, 367; medals, 971
Medical men and alleged shortage of petrol, 223; (Py Q), 1153; and the lighting order (Py Q), 274; and coroners' juries, 893
Medical men and civilian needs (leading article), 415
Medical men for the army, supply of (leading article), 35, 195, 102, 156, 274, 539; and navy (leading article), 786, 963, 972, 1005, 1059; and service in the army (Py Q), 53, 221, 275, 1105, 1106; enrolment for the R.A.M.C., 163; senior, and naval and military service, 316; the calling-up of, 538, 591, 798, 1151; dearth in Canada, 1054
Medical missions in Serbia (Py Q), 52; notes from the Salonica Force, 839
Medical officer, county, of health, and school medical officer of London, report for 1914, 833, 878; regimental, in Gallipoli, 161
Medical officers, position of, under the Poor-law and local authorities, 487; dispensary, on war service and their substitutes, 583; reports of, 753
Medical officers of health and sanitary inspectors, security of tenure of, 143
Medical Officers of Health, Society of, School Medical Service Group, 1139
Medical officers in territorial and base hospitals (Py Q), 540, 845; distribution in France (Py Q), 540; at aviation schools (Py Q), 596; of voluntary military hospitals (Py Q), 1105; chief, in Dardanelles and Mesopotamia (Py Q), 1198; shortage of, for the services, 1234
Medical practitioners and the Military Service Acts (leading article), 1131, 1152, 1177, 1225, 1237
Medical practitioners, enrolled, eligibility for army duty irrespective of age, 593; and after-war problems, 749
Medical profession, numbers of, 143; enrolment of (leading article), 737; and the war (Py Q), 890; relationship of, to the State and community, 916
Medical qualifications, British, and Indian students, 258; Degrees Bill, Bogus, for India, 1011, 1148
Medical Research Committee, report upon the bacteriological studies of cerebro spinal fever, 421
Medical science, debt of, to the brewing industry, 1051
Medical Sickness and Accident Society, report, 51; monthly meeting, 324, 489, 703, 1136; annual meeting, 803

MEDICAL SOCIETIES.

ÆSCULAPIAN SOCIETY.—New method of treatment for diabetes, 246—Exhibition of cases, 515—Transfusion, 824
BRADFORD MEDICO-CHIRURGICAL SOCIETY.—Exhibition of cases and specimens; Tuberculosis arrangements from the clinical point of view, 353—Cancer of the uterus treated by radium; Scopolamine-morphia narcosis in labour, 623
BRIGHTON AND SUSSEX MEDICO-CHIRURGICAL SOCIETY.—Exhibition of specimens; Dysentery, 245—Exhibition of specimens; Clinical aspect of the double uterus in its relation to diagnosis and treatment, 574—Meningitis following infection of the sphenoid bone; Two separate calculi in the left ureter of a woman; Rodent ulcer; Some notes on the use and misuse of X rays, 868—Diagnosis of nerve injuries in war time, 1042
BRITISH OTO-LARYNGOLOGICAL SOCIETY.—Treatment of British prisoners at Wittenberg camp; Exhibition of cases, 1263
CHILD STUDY SOCIETY.—Unconscious mental life of the child, 733
FULHAM MILITARY HOSPITAL.—Septic compound fractures due to gunshot wounds, 353
HARVEIAN SOCIETY OF LONDON.—Exhibition of cases, 410, 1042—Discussion on the treatment of gunshot wounds, 571—Nervous and other medical disorders as seen at an eye hospital, 678—Backward displacements of the uterus, 962
HUNTERIAN SOCIETY.—New treatment of diabetes, 678—Relationship of the medical profession to the State and community, 916
LIVERPOOL MEDICAL INSTITUTION.—Election of office-bearers, 272—Sarcoma of the nose and naso-pharynx; Use, misuse, and abuse of soap; Military orthopædics, 782
LONDON DERMATOLOGICAL SOCIETY.—Exhibition of cases, 81, 246, 466, 782—Treatment of scars, 466—Exhibition of cases; Dermatitis due to hair dyes, 1125
MEDICAL SOCIETY OF LONDON.—Gunshot wounds of the chest, discussion, 244—Gunshot wounds of the spine, discussion, 677—Shakespeare and medicine, 961—Election of officers, 1063
MEDICO-PSYCHOLOGICAL ASSOCIATION OF GREAT BRITAIN AND IRELAND.—Experimental toxic lesions in the rabbit's brain and their bearing on the genesis of acquired idiocy and imbecility in man, 1085
NORTH OF ENGLAND OBSTETRICAL AND GYNÆCOLOGICAL SOCIETY.—Exhibition of specimens; Notification of the so-called puerperal fever, 410
OPHTHALMOLOGICAL SOCIETY.—Annual congress, 1052
President's Address: Some ophthalmic lessons of the war (Mr. W. H. Jessop), 1082
Papers: Leber's disease (Mr. J. H. Fisher); Retinal circulation in arterio-sclerosis (Mr. F. Moore); Dysmetropsia (Dr. K. Wilson); Contusion hypotony (Mr. E. T. Collins); Foreign bodies in the eye and orbit (Mr. A. L. Whitehead and Mr. J. H. Parsons), 1053—Treatment of syphilitic eye affections by the newer methods (Mr. J. B. Lawford and Capt. S. H. Browning); War injuries to the eye (Maj. J. F. Cunningham and Prof. De Lapersonne); Retinal changes in glycosuria (Dr. Hawthorne); Treatment of large traumatic hæmorrhage in the vitreous (Capt. A. W. Ormond); Spontaneous intra-ocular hæmorrhages (Mr. G. Clegg); Tumour of the retina (Capt. R. B. Hird), 1054
ROENTGEN SOCIETY.—Injurious effects produced by X rays, 408
ROYAL ACADEMY OF MEDICINE IN IRELAND (SECTIONS)—
Anatomy and Physiology.—The daily food ration of Great Britain, 409
Medicine.—The electrocardiograph; Cases connected with liver and biliary passages, 190—Exhibition of cases; Malignant disease of the stomach, 245—Acute general tuberculosis, with left oculo-motor paralysis, after measles; Chyluria, 465—The soya bean (Glycine hispida) and its uses in physiology and medicine, 781
Obstetrics.—Exhibition of case; Infantile tetany; The lower uterine segment, 297—Exhibition of specimens; Abdominal pregnancy; Intestinal hæmorrhage in the new-born, 622—Myomata from a case of Cæsarean myomectomy; Puerperal eclampsia, 916
Pathology.—Exhibition of cases and specimens, 466—Exhibition of cultures and specimens, 781—China green for isolation of typhoid bacilli from the fæces; Exhibition of specimens, 1126—Rotunda reports, 1263
State Medicine.—Physically defective children and the problem of their education; Certification of insured persons in Ireland, 245—Cerebro-spinal fever in a military camp; London bills of mortality, 1126
Surgery.—A new substance for pyelography; Aneurysm due to bullet wounds, 409—Ectopia vesicæ treated by transplantation of the ureters; Radium emanation table for therapeutic purposes; Cheilotomy for the relief of crippling arthritis, 678—Injuries to peripheral nerves; Bullet injuries of nerves and their treatment, 1219
ROYAL SOCIETY OF MEDICINE (SECTIONS)—Treatment of dysentery, 27—Gas gangrene, 622
Anæsthetics.—Influence of anæsthetics on the temperature of the body; Exhibition of apparatus, 1001
Dermatology.—Exhibition of cases, 28, 297, 514, 732, 1125—The rationale and practice of chemotherapy, 961—Demonstration of new test for syphilis; Exhibition of cases, 1262
Disease in Children.—Exhibition of cases and specimens; Nephritis without albuminuria, 295—Exhibition of cases, tracings, and specimens, 780, 1218
Electro-Therapeutics.—A new commutator "break"; Simpson light, 244—Experiments and experiences with the Coolidge tube, 733
Medicine, Pharmacology, and Therapeutics (combined meeting).—Discussion on trench nephritis, 407
Obstetrics and Gynæcology.—Exhibition of instruments; Labour obstructed by ovarian cyst; Fatal rupture of bladder during puerperium; Chorion-epithelioma following vesicular mole; Presidential address, 514—Primary cancer of the Fallopian tube; Unilateral solid primary adenoma of the ovary; Pneumo-peritoneum, 1085
Odontology.—War injuries of the jaws and face, 569
Ophthalmology.—Exhibition of cases; Cause of ophthalmoscopic appearances in amaurotic family idiocy; Superficial linear keratitis; Cataract in experimental thyroidectomy, 351—Disturbances of vision from cerebral lesions, 732—Exhibition of cases and apparatus; Pituitary tumour, 1262
Otology.—Exhibition of specimens; Septic meningitis following chronic suppurative otitis media; Otogenic facial paralysis, 464—Epidiascope demonstration; Exhibition of cases, 1125
Pathology.—Bacteriology of cerebro-spinal fever; Transplantable tumour of the guinea-pig; Toxic hepatitis; Treatment of wound infections; Mechanical causation of appendicitis, 999
Psychiatry.—Clinical evening, 80—Psychology of rumour, 824
Surgery.—Use of condensers in the diagnosis, prognosis, and treatment of nerve lesions, 351
Therapeutics and Pharmacology.—Discussion on "soldier's heart," 189
ULSTER MEDICAL SOCIETY.—Some experiences of war surgery, 28—Polycythæmia; Indications for Cæsarean section; Treatment of fractures by open operation, 166—Bacteriology of infectious pneumonia of horses (pink eye); Exhibition of specimens, 257—Cancer of the stomach, 410—Election of office-bearers, 1141
WEST LONDON MEDICO-CHIRURGICAL SOCIETY.—Exhibition of cases, 191, 868; of specimens and skiagrams, 352—Prostatitis, acute and chronic; Exhibition of specimen, 623

Medical Society of London (see Medical Societies)
Medical students and military service, 163, 222; (Py Q), 540, 595; and recruitment (Py Q), 221; numbers of, 418; position of, 487; the unfit and the war, 646; the number of, 1133
Medical titles, unauthorised use of, a Scotch decision, 256; diplomas in a sale-room, 516
Medical view of the Gallipoli adventure (leading article), 141
Medical work in the army, 651; examination of second-class units (Py Q), 1019
Medicinal herbs, culture of, 794, 978, 1226, 1284
Medicine, A System of, second edition, 1915 (Sir W. Osler and Dr. T. McCrae) (review), 29; Tropical, Clinical Methods for Students in, second edition, 1915 (Lieut.-Col. G. T. Birdwood) (review), 139; and Meditation (Dr. A. Lewers) (review), 192; Précis de Pathologie Interne (Bibliothèque du Doctorat en Médecine publiée sous la direction de A. Gilbert et L. Fournier) (review), 515

Medicine, magic, and religion, FitzPatrick lectures (Dr. W. H. R. Rivers), 59, 117; and surgery, the little things of, 170; in Wales, history of, 277

MEDICINE AND THE LAW.—Inquests and the time question; Poor-law guardians and vaccination; Second conviction of an imposter, 43—Case of Lieut. Codere; "Personal knowledge," 424 — Medical man's action against a friendly society, 425

Medico-Psychological Association of Great Britain and Ireland, quarterly meeting, 463
Medullary nerve sheath, function of (Capt. C. E. H. Milner), 1124
Melanotic sarcoma, 466; tumour, 781
Melville, Dr. S., supply of medical men for the army, 102
Mengershausen, H. M. von, and Mr. H. Platt, traumatic dislocation of the hip-joint in a child, 80
Meningitis, primary tuberculous, so-called, diagnosis of (Dr. D. W. K. Moody), 23; tuberculous, retention of urine as a sign of, 104; septic, 465; following infection of the sphenoid bone, 868
Meningococcal conjunctivitis, 1181
Menini, Dr. Giorgio, death of, 741
Menses, retained, in one-half of a double uterus, 410
Menstruation, superstitions concerning, 277
Mental After-care Association, annual meeting, 613; report, 974
Mental disease, diet as a factor in the causation of (Dr. C. Mercier), 510, 561
Mental disorder, hysteria, 80; disorders and attestation, 430
Menthol snuff, compound, 32
Menzies, Dr. D., obituary, 1193
Menzies, Dr. J. A., treatment of septic wounds with the Simson light, 508
Menzies-Conacher, Dr. D. I., treatment of colitis and proctitis and of ulceration of the rectum and colon, 1059
Mercier, Dr. C. A., functional nervous disease, 154, 933; diet as a factor in the causation of mental disease, 510, 561
Mesopotamia, mobile laboratory for, 635; hospital arrangements in, 700 (Py Q), 706, 754, 755, 804, 1152
Metcalfe, Dr. J., and Capt. E. N. Keys-Wells, anatomical position of localised foreign bodies, 1078
Meteorological readings, 56, 115, 170, 224, 278, 329, 385, 439, 493, 543, 599, 655, 709, 757, 807, 847, 894, 941, 980, 1023, 1067, 1107, 1155, 1202, 1244, 1286
Meteorological Society, Royal, annual general meeting, 221
Meteorology and mean solar time, 1099
Métivier, Mr. V. M., acute tetanus with hæmatemesis, case, 1084
Metropolitan water-supply, report, 144, 309, 632, 1135, 1227; appendix by Dr. A. C. Houston, 1007
Mettam, Prof. A. E., spontaneous tuberculosis in a rabbit, 781
Meyer, Capt. W. C. B., and Lieut. D. C. Taylor, penetrative wounds of the abdomen, 8
Microbes, bactericidal action of sera upon (Dr. K. Sakagami), 127
Middle-ear disease due to Vincent's organism, 873
Middlemiss, Mr. J. E., hermaphroditism, case, 675
Middlesex County Asylum (Py Q), 650
Midelton, Mr. W. J., treatment of whooping-cough, 374; treatment of hæmorrhoids by injection, 887
Midwives Act for Scotland, 52; (leading article), 196, 366; (Py Q), 540; (1911) in Tasmania, 542; Bill for Ireland, 1282
Midwives, practice of, supervision of, 38; grievances, 56, 154, 267; present position of (leading article), 473, 481, 586, 641
Military hospitals, employment of women, 379; in Alexandria, 800; Commission in Canada, 1064; voluntary, medical officers of (Py Q), 1105
Military Service Bill, 1019; regulations for the professional committees, 1103, 1195; the position of medical practitioners (leading article), 1087, 1103, 1131, 1152, 1171, 1225, 1237
Military service and medical students, 163; (Py Q), 222, 540; and the medically unfit (Py Q), 222; and medical men, 275, 1105, 1106; compulsory, and vaccination (Py Q), 275; and dentists (leading article), 362
"Military Surgeon," editorship of, 133, 1044
"Milk diagnosis" of pregnancy, 256
Milk, goats as a source of, 309; tablets, malted, 736; adulteration, detection of, 745; supply at Haslar Hospital (Py Q), 1106
Miller, Capt. A. G., R.A.M.C. (see Obituary of the war)
Miller General Hospital for South-East London, 1061
Milligan, Sir W., septic meningitis, 465; the horrors of Wittenberg camp, 1148
Mills, Capt. C. H., tabes, with perforating ulcer on left foot, 246; para-psoriasis, 466; syphilis on an old-standing psoriasis, 782; and Lieut.-Col. L. W. Harrison, effect of ferrivine and intramine on syphilis, 1214
Mills, Dr. H. B., and Dr. G. A. Sowell, pyelocystitis and metastatic abscesses following tonsillitis, 1051
Milner, Capt. C. E. H., function of the medullary nerve sheath, 1124
Milne's method of prophylaxis in scarlet fever and measles, 149
Milnthorp, Mr. R., obituary, 537
Milroy Lectures, infantile mortality (Dr. S. G. Moore), 849, 895, 943
Mingard, Mr. V., Story of Islington and Finsbury (Local History Series) (review), 86
Miraj Mission Hospital, 328
Missionaries, medical, need for, 492
Mitchell, Dr. J. A., and Mr. G. W. Robertson, transmission and examination of plague specimens, 932
Mitchell, Lieut. F. S., R.A.M.C. (see Obituary of the war)
Mitchell, Mr. A. B., and Prof. J. A. Lindsay, cancer of the stomach, 409
Molecular Volumes, the, of Liquid Chemical Compounds, from the Point of View of Kopp (Mr. G. Le Bas) (review), 299
Molluscum fibrosum, 297
Monckton, Mr. W. M., obituary, 428
Monk, Miss K., the late, memorial to, 438
Monoplegia, functional, 191
Monthly Bulletin of the International Office of Public Hygiene (review), 412
Montreal, health and hygiene in, 745
Moody, Dr. D. W. K., diagnosis of so-called primary tuberculous meningitis, 23; (see Obituary of the war)
Moon, Dr. R. O., typhus fever in Serbia, 1069, 1111, 1157
Moon, Surg. G. B., R.N. (see Obituary of the war)
Moore, Dr. I., removal of foreign bodies from the œsophagus and bronchi, 992
Moore, Dr. S. G., infantile mortality and the relative practical value of measures directed to its prevention, 849, 895, 943
Moore, Mr. F., retinal circulation in arteriosclerosis, 1053
Moore, Mr. R. F., albuminuric retinitis in epidemic (acute) nephritis, 535
Moore, Sir J. W., cases connected with liver and biliary passages, 191; clinical thermometry, 430; acute general tuberculosis, with left oculo-motor paralysis, after measles, 465
Moorhead, Brevet Col. A. H., I.M.S. (see Obituary of the war)
Moorhead, Lieut.-Col. G. O. (see Obituary of the war)
Moorhouse, Capt. V. H. K., and Lieut.-Col. R. D. Rudolf, abscess of the myocardium resulting in aortic leakage into the right heart, 292
Morgan, Dr. W. P., treatment of wound infections, 999
Morison, Dr. A., soldier's heart, 316
Morison, Mr. A. E., magnesium sulphate in the treatment of gunshot wounds, 642
Morison, Dr. B. G., Life: a Poem (review), 31
Morison, Surg. A. A., R.N. (see Obituary of the war)
Morley, Mr. A. S., treatment of hæmorrhoids by injection, 617, 886
Morphœa and sclerodermia, acute involvement of the soles in a case of, 28
Morphology and Anthropology, Handbook for Students, second edition, 1915 (Dr. W. L. H. Duckworth) (review), 83; comparative, and development in man (Prof. V. Z. Cope), 601
Morse, Dr. J. L., and Dr. F. B. Talbot, Diseases of Nutrition and Infant Feeding (review), 467
Morton, Dr. G., aneurysm of arch of aorta, 353
Morton, Maj. C. A., unusual form of gunshot arterio-venous aneurysm, 567
Moselle, still French, 736
Mosquito Control in Panama (Mr. J. A. Le Prince and Dr. A. J. Orenstein) (review), 1042
Mothers, schools for, 643
Motor ambulance, Prince George, 50; gift of, 323; from the United Provinces, India, 1272
Motor-car licence duty (Py Q), 845; and medical men (Py Q), 1020, 1065
Mott, Maj. F. W., effects of high explosives upon the central nervous system, 331, 441, 545
Mouat, Dr. T. B., general tetanus following local tetanic spasms of injured limb, 188
Moyle, Mr. H. H., odour of paint as a cause of plumbism, 1083
Moynihan, Sir B., treatment of gunshot wounds, discussion, 571
Muckleston, Dr. H. S., acute pharyngitis associated with erysipelas, 38
Muirhead, Dr. I. B., shock and the soldier, 1021
Mulholland, Dr. J. A., middle-ear disease due to Vincent's organism, 873
Mullally, Dr. G. T., tetanus-like spasm localised to the wounded limb, case, 867
Multiple osteomata, 1042
Mumps at Wick, 426
Munition workers, health of, 197, 431, 538, 752; (leading article), 785; (Py Q), 804, 844; female, 519; (Py Q), 892
Murdoch, Miss M. C., obituary, 752, 837
Murray, Dr. J. A., transplantable tumour of the guinea-pig, 999
Muscle and nerve, postural activity of, 520; (Py Q), 892
Muscles, wasting, of shoulder-girdle and upper arm, 515
Mustard with fish, 542
Muthu, Dr. C., pneumococcal bronchitis, 1014; Bogus Medical Degrees Bill for India, 1148
Mutism and deafness, 191; in a boy (Maj. A. J. Hall), 1039
Mycosis fungoides, 1125
Myelocytic leukæmia, 515
Myers, Maj. C. S., contributions to the study of shell shock, certain cases treated by hypnosis, 65, 608
Myocardium, abscess of, resulting in aortic leakage into the right heart (Lieut.-Col. R. D. Rudolf and Capt. V. H. K. Moorhouse), 292
Myomata from a case of Cæsarean myomectomy, 916
Myxœdema with sclerodermia, 28

N

Nævo-lipoma of face, 352
Nævus, linear, 246
Narcotic drugs, sale of, to soldiers, 475, 936, 1103, 1133
"Natal," H.M. cruiser, loss of, 109
National Association for the Feeble-Minded (leading article), 252
National Insurance Acts, Handbook for the Use of Approved Societies (review), 354
National Medical Union, general meeting, 1062
Naval and military service and senior medical men, 316
Navy and army, supply of medical men for (leading article), 35, 195, 786, 963, 1005, 1059
Navy, health of, 479; Medical Service (Py Q), 844
Near East, medical diseases in, 738
Neave, Capt. S., tartar emetic in the treatment of cerebro-spinal fever, 1101
Necroses on the fingers in a munition worker, 515
Needle and cannula for intravenous injection, 1130
Nelson, Dr. E. F., death of, 1193
Nelld, Dr. F. M., ectopic gestation and appendicitis, 676
Nephritis without albuminuria, 297; acute suppurative, 352; trench (Capt. W. L. Brown), 391; discussion, 407; (acute) albuminuric retinitis in epidemic, 372, 535; trench, presence of lead in urine in four cases of (Dr. C. P. White), 996
Nerve sheath, medullary, function of (Capt. C. E. H. Milner), 1124
Nerve shock, army cases, treatment (Py Q), 274, 490, 540; lesions, use of condensers in the diagnosis and treatment of (Capt. F. Hernaman-Johnson), 351, 396; injuries in war-time, 1042
Nerves, peripheral, injuries to, dissociation of cutaneous sensations in (Capt. D. E. Core), 716; gunshot injuries of, the syndrome of compression (Dr. J. S. B. Stopford), 718; peripheral, injuries to, 1219; bullet injuries to, and their treatment, 1220
Nervous and other medical disorders as seen at an eye hospital (Dr. J. Taylor), 657; and mental shock, cases coming from overseas, arrangements for the care of, 1073
Nervous disease, functional, 154, 210, 265, 318, 373, 430, 588, 933, 971
Nervous system, influence of altitude on, 36; central, effects of high explosives upon (Maj. F. W. Mott), 331, 441, 545
Nesbitt, Dr. G. E., cerebro-spinal fever in a military camp, 1126
Nestlé's war album, 598
Netherlands, tuberculosis in, 925
Netter, M. Arnold, recovery from blindness due to cerebro-spinal meningitis, 1267
Neuralgia, trigeminal, 515
Neurasthenia and shell shock (leading article), 627
Neuritis, double optic, 296; optic, due to cerebral tumour, 410
Neuroses, warfare, of the throat and ear (Capt. J. F. O'Malley), 1080

Newham, Mr. H. B., and Dr. C. W. Daniels, treatment of trypanosomiasis, 102

NEW INVENTIONS—
Adapter to convert binaural stethoscope into otoscope, 735
Apparatus for chloroform anæsthesia in military practice, 1003
Bed stretcher, 86
Crutch-head, an ingenious, 1046
Crutch, walking-stick, new, 1264
Drainage-tube, new spiral, 680
Electric current, use of, from the mains for medical purposes, 1176
Ether mask, "open," an economical, 919
Glove, extension, for cases of musculo-spiral paralysis, 784
Helmet, wire, for cases of loss of bone, 868
Intestinal clamp, method of improvising, 919
Intravenous injections, new instrument for, 1004
Leg splint, automatic extension, 918
Needle and cannula for intravenous injection, 1130
Plates for one-armed use, 919
Splint, new metacarpal, 194
Telephone probe, 414
Walking-stick crutch, new, 1264

Newland-Pedley, Mr. F., dental needs of the army, 265
Newman, Dr. D., pain in renal and vesical lesions, with 12 illustrative cases, 669, 724, 773
New Zealand Forces, hospital accommodation for (Py Q), 540
Nicholls, Capt. W. H., R.A.M.C. (see Obituary of the war)
Nickel-chromium wire for the bacteriological laboratory, 278
Nigeria, health and sanitation in, 1022
Nightingale memorial in St. Paul's Cathedral, 435
Nitro-derivatives and toxic jaundice, 684
Nitrogen, its virtues and vices, 789; retention in the blood, 1050
Noel, Lieut. H. L. C., and Capt. H. M. Anderson, shrapnel injury to right parietal cortex, 79
Non-alcoholic beer (Three Shells Brand), 736
Norfolk and Norwich Hospital, annual report, 820; War Hospital Magazine, 1061
Norris, Fleet-Surg. H. L., R.N. (see Obituary of the war)
